---

**Suppression** Communication and Direction Finding equipment can only work satisfactorily if adequate suppression of other on board electrical items is made. Quotations for suppression will be given after selection of equipment in order to ensure trouble free operation.

---

**Price** The price of the boat is fixed upon receipt of deposit, but the price of the extras is subject to manufacturers' fluctuation and therefore cannot be guaranteed, although every effort will be made to adhere to the prices quoted.

---

**Terms of Business** 10% Deposit upon signing order                      30% Upon engine installation  
30% Upon commencement of assembly                      30% Upon delivery

The above prices are subject to VAT (if applicable) at the relevant rate. The yacht will only be delivered if full payment has been received.
